Report of the Secretary-General

Addendum

1 In addition to the cooperation between the United Nations and the Organization for Security and Cooperation in Europe (OSCE) already described in the report of the Secretary-General (A/51/489), it should be mentioned that the United Nations High Commissioner for Human Rights has been in contact with OSCE regarding the situations in Latvia and Estonia, where OSCE maintains offices. These contacts were established in connection with General Assembly resolution 48/155 of 20 December 1993 and Assembly decision 50/465 of 22 December 1995, as well as in connection with an analysis of institutional structures in Latvia carried out by the High Commissioner's adviser on human rights institutions in the framework of a technical cooperation project. Additionally, the High Commissioner has been in contact with OSCE regarding technical cooperation activities in the Republic of Moldova.
